## The Door

> <meta name="Generator"> I can see you in this darkened room,

The Door

I can see you in this darkened room,

This darkened room, full of doom.

And I know that hardly any light shines through

For you to see in this room of gloom.

This room is called fear,

And it separates you from all you hold dear,

And the door is so near,

Yet seems so far away.

But when you left to go find Matt,

I really could see, that

Slowly, you were getting up,

No longer on the floor,

And nearer to the door.

And while you searched,

I could see you moving closer  
Could see you almost soar  
Towards the door.  
And now, you stand in the doorway,  
And no longer will you stay  
In this room called fear  
With the door so near.
